\$2,500 Prizes

100% Guaranteed!

Prizes for more than 240 players!

-  All players are required to join the Unity Team, which has been formed on Lichess for this tournament.
-  Title+Full Name

-  For title players who had problem adding their titles in front of their official account in Lichess, they need to create another account with their full name and title on it. Then they need to move up their blitz rating up to their actual rating.
-  Also email their picture ID to: sundayswithunity@gmail.com

After that they will be allowed to play.

If anything else, we won't accept it. Thanks for your cooperation.

Prizes terms and conditions:

1. All prizes will be paid within 2 days.
2. Cash prizes are given to the top places, ranked by Lichess.
3. If a player is eligible for two prizes between the sections, the higher prize is awarded.
4. The USCF (United States Chess Federation) rated players who don't have Fide rating, will be eligible to receive the section prizes. Here is the formula to calculate their Fide rating: $(USCF-100 = \text{Fide rating})$. That means a USCF player with rating of 1650 would be eligible to receive the section prize for under 1600 $(1650-100=1550)$.
5. Winners of class prizes can only receive prizes related to their rating level.
6. The criterion for section prizes is FIDE Standard rating. If the player doesn't have that, we will go with blitz rating. If not, then rapid rating. If the player doesn't have Fide, nor USCF rating, we will consider him/her as unrated player.
7. To receive prizes please contact the **representative** in your country.
 - ✚ If your country doesn't have representative then send your information with your picture ID to this email:
 - ✚ [mailto: sundayswithunity@gmail.com](mailto:sundayswithunity@gmail.com)

Winners have the options to choose one of these 3 ways to receive their prizes:

1. PayPal
2. Western Union
3. Bank Account

Winners are responsible to cover the cost of the transaction fee.

UNITY CHESS CLUB

King/Queen of 2020

5K 100% Guaranteed

Starting Sunday May 24th, 2020 all the way to December 27th, 2020 we have 32 Sundays. That means 32 Unity Weekly tournaments.

We came up with a plan to add some more excitements to the competitions by making special prizes for King/Queen champions of these 32 sessions.

For every 4 sessions, we get together the 4 champions of Open, Women, Senior 50+, U16, U12 and make a double round robin tournament. The winners of these matches will be the champion of that season (4 sessions).

On the first week of the new year, we will have a round robin championship between the champions of each season. The winners of these matches will become the King/Queen champion of 2020!

Here are the Sessions and Seasons:

(10-13), (14-17), (18-21), (22-25), (26-29), (30-33), (34-37), (38-41)

Total: 8 seasons

Finals of the season Regulations

1. Time Control: The time control is just like our weekly tournaments (3+0)
2. Camera: All players are required to play under camera during these matches.
3. Format: The players will play in the double round robin format.
4. Prizes: The winner of the open section will get \$100 and the winners of Women, U12, U16, and senior will get \$50 prizes.
5. Final of the Year: The winners will book their place in the final of the year. In the final of the year, the final winner of 2020 will get \$2000 in Open section, \$1000 in Women and U16, and \$500 in senior and U12 sections.
6. Tie: If two players tie for the first place in one of these finals, they will play two bullet games (1+0) and if there is a tie again, an armageddon game (White 4 Minutes, Black 3 minutes) will be played between them.
7. Tie with 3 or more players: In this case a bullet double round robin will be played between the players tied for the first place. If there is still a tie, the armageddon will be played between the two players with higher Tiebreak. Tiebreaks are more wins, more points in the games of players on tie, more wins with black pieces, and finally FIDE Standard rating.
