1. Scope

1. 1. The FIDE World Cup 2021 (hereinafter referred to as World Cup) is organised in the second half of 2021.
1. 2. Governing Body is the International Chess Federation (FIDE).
1. 3. FIDE Global Strategy Commission (hereinafter referred to as GSC) is in charge for preparing regulations, communicating with the Organiser and the participants, conducting inspections.
1. 4. The body responsible for adopting and changing these Regulations is the FIDE Presidential Board, upon recommendation by GSC.
1. 5. At any time, any circumstance or unforeseen situation not covered in these Regulations shall be referred to the FIDE President for final decision.

2. Qualification

2. 1. Two hundred and six (206) players take part in World Cup. Players qualify for World Cup by the following paths:
 - I. Reigning World Champion.
 - II. Winner, runner-up and two (2) other semi-finalists of the FIDE World Cup 2019 – four (4) players.
 - III. Reigning Women's World Champion.
 - IV. World Junior Champions U-20 of 2019 & 2020 – two (2) players.
 - V. Qualifiers from the Continental events (see Annex 2) – eighty (80) players.

For the purpose of distribution of eighty Continental spots the following system is applied:

- Twelve (12) Continental spots are distributed as follows: each of four Continents is granted three (3) spots;
- Eight (8) Continental spots are distributed as follows: each Continent gets the number of spots equal to the number of respective Continent's players in the World Top eight (8) juniors (born on January 1st 1999 or later) according to the average Rating of twelve (12) standard FIDE Rating Lists from February 2019 to January 2020.
- Sixty (60) Continental spots are distributed as follows: each Continent gets the number of spots equal to the number of respective Continent's players in the World Top sixty (60) players according to the average Rating of twelve (12) standard FIDE Rating Lists from February 2019 to January 2020.

The Continental events are the following:

- a) Continental Championships and Zonals 2020.
- b) Continental Championships and Zonals 2021.

In Zonal Tournaments a player must score at least 50% of the maximum possible score in order to be eligible; otherwise the spot(s) go(-es), in order of priority: to the forthcoming or to the last respective Continental Championship.

All the Continental events are to be completed before June 1st 2021.

- VI. Highest rated players from the average of the twelve (12) standard FIDE rating lists - thirteen (13) players, who have not qualified by any path from I to V.

For the purpose of deciding the thirteen (13) qualifiers by rating, the average Elo from the twelve (12) standard FIDE rating lists from July 2020 to June 2021 is used. In case of equality, two decimals are taken into consideration. If the numbers are still equal then the total number of rated games in all 12 standard rating periods is decisive: the player who has played more

games qualifies.

A player who appears inactive at least once in the twelve standard FIDE rating lists from July 2020 to June 2021 is not eligible.

VII. Highest placed player of the ACP Tour 2020, who has not qualified by any path from I to VI.

VIII. One hundred (100) players are determined according to the Final Ranking of the Chess Olympiad 2020 open section.

The top one hundred (100) national federations are given one qualification spot (hereinafter referred to as Olympiad spot). If any federation is represented by two (2) or more teams, it cannot get more than one Olympiad spot. Not more than forty (40) federations per Continent may get Olympiad spots. If there are more than forty federations from the same Continent in top 100 of the Final Ranking, Olympiad spot(s) go(es) to the next federation(s) in the Final Ranking.

Each Continent has right to transfer up to 50 % of the eventual respective Continent's Olympiad spots to Continental events (see Article 2.1.V). Such a decision is to be announced by March 1st 2020. If this decision is taken, the remaining Continent's Olympiad spots are given to the best federations representing the respective Continent according to the Final Ranking of the Chess Olympiad 2020.

Each national federation having won the Olympiad spot needs to work out qualification criteria for its representative. The Olympiad spot is to be given to one of the Olympiad 2020 national team members. If all Olympiad 2020 national team members qualify to World Cup by other paths or decline participation, the spot can be given to any other player.

All the Olympiad spots are to be announced between June 1st and July 1st 2021.

4. 5. Pairings

4. 5. 1. Pairings are announced not later than thirty (30) days before the beginning of World Cup.

4. 5. 2. For purposes of pairings the players are ranked according to the most recent FIDE Standard Rating List as per the moment when pairings are announced. In case of equality of two or more players, the player with the bigger number of games played during the period covered by the list is higher seeded. In case of equal number, the order is decided by draw of lots. If he enters, the reigning World Champion is seeded number one.

4. 5. 3. The players participating in Round 1 are those ranked from number 51 to 206. Pairings follow the principle of top half vs. lower half reversed.

Match 1.1: P (player) 51 vs P 206,

Match 1.2: P 52 vs P 205,

....

Match 1.78: P 128 vs P 129.

Thus, the highest ranked player of the top half plays the lowest ranked player of the bottom half. The second ranked player of the top half plays the penultimate ranked player of the bottom half. And so on.

4. 5. 4. The players participating in Round 2 are the winners of Round 1 and the fifty (50) highest ranked players. Pairings follow the principle of top half vs. lower half reversed.

Match 2.1: P 1 vs Match 1.78 winner,

Match 2.2: P 2 vs Match 1.77 winner,

....

Match 2.64: Match 1.14 winner vs Match 1.15 winner.

4. 5. 5. For Rounds 3 to 7, pairings follow the same procedure as in Article 4. 5. 4. If the lower ranked player wins any match, he assumes automatically the position of his eliminated opponent.

4. 6. Drawing of colours

4. 6. 1. The draw of colours for Round 1 is done during the Opening Ceremony. In Round 1 the higher rated players of odd matches (matches of players seeded fifty-first, fifty-third etc...) and lower rated players of even Matches (Matches of players seeded fifty-second, fifty-fourth etc...) have the same colour.

4. 6. 2. In the first game of Round 2, each winner of Round 1 has the colour opposite to the colour that in his previous match the higher seeded player had in the first game. Thus, if the lower seeded player wins any match, he assumes automatically in the next round the colour position of his eliminated opponent.

4. 6. 3. For Rounds 3-7 and the Final the procedure described in Article 4. 6. 2. is applied.

4. 6. 4. In the Match for 3rd place a higher seeded player has in the first game the colour opposite to the colour he had in the first game in Round 7.

The player with the white pieces receives 5 minutes; the player with the black pieces receives 4 minutes whereupon; after move 60, both players receive an increment of 2 seconds per move starting from move 61. In case of a draw the player with the black pieces is declared winner of the match.

ANNEX 2

Qualifying events for the FIDE World Cup

The Zonals and Continental Championships serve for qualifying events for World Cup. The Continents, in co-operation with GSC, decide on the format and the maximum number of participants per country including qualifiers per country. No double rounds are allowed in Continental Championships. If the Continental Championship cannot be organised by the Continents, then FIDE organises the Championship using the prize fund allocated to the respective Continent, without necessarily distributing prizes to the players.

1. Zonal Tournaments

1. 1. Zonals can be organised by the Continents according to their regulations that have to be approved by GSC.

1. 2. Where a Continent decides to have zonal tournaments for qualification to World Cup, the number of zonal qualifiers shall be restricted to the approved figure by zone; the extra qualification places for each Continent shall be given to the Continental Championship to determine the remaining qualifiers to the World Cup.

1. 3. All the Zonal qualifiers, as well as the number of players eligible by country to participate in each zonal, can participate in their Continental Championship with their full board expenses covered by the Organiser. The extra players by country as determined by

each Continent shall be responsible for their expenses. This applies only in those Continents that hold Zonals and Continental Championships.

2. Continental Championships

2. 1. The Continents, through their respective Boards and in co-operation with FIDE, organise Continental Championships.

2. 2. FIDE shall guarantee a minimum total prize fund of USD 92,000 for the Continental Championships divided among the Continents, as follows:

1. Americas	32,000 USD	(minimum prize fund in total: 50,000 USD)
2. Asia-Oceania	32,000 USD	(minimum prize fund in total: 50,000 USD)
3. Africa	28,000 USD	(minimum prize fund in total: 28,000 USD)
4. Europe	----	(minimum prize fund in total: 100,000 EUR)

Total: 92,000 USD (net of any FIDE deductions)

To qualify for the grant of the prize money contributed by FIDE for each Continental Championship, each Continent must show proof of additional sponsorship money it has raised for the prize fund.

The Continent receives 20% from any additional prize fund at the Continental level.

Additional financial support can be granted to each Continent according to a separate agreement between FIDE and a respective Continent.
