Tournament System and Rate of Play

The Championship format is a nine(9)-round standard Swiss. Pairings will be done using the FIDE-certified Swiss-Manager program.

Each round consists of two (2) matches: in the first match, the team captain (Board 1) plays a simultaneous exhibition against members of the opposing team (Boards 2 through 5). The second match is played as a standard team match (captain vs captain, Board 2 vs. Board 2, etc.). A total of thirteen (13) points are awarded per round.

Time control.

Time control for the first match in every round:

- for the captain who gives a simul: 30 minutes per game with 5 seconds increment per move, starting from move 1;
- for players on Boards 2 through 5: 10 minutes per game with 5 seconds increment per move, starting from move 1.

Time control for the second match in every round:

- for every player (i.e., Boards 1 through 5): 10 minutes per game with 5 seconds increment per move, starting from move 1.

The results of the games played in captain's simuls (first match in each round) are taken into account only for the overall team score. These games are not rated and are not considered for determination of individual board winners.

Default time is 10 minutes.

If a team lineup is incomplete, the team can still start a match if it has at least three (3) participants, regardless of their board numbers.

The Organizer will form an Appeals Committee (AC). The Appeals Committee will include the Chairman and two (2) other members of the Appeals Committee, all from different national chess federations, as well as two (2) reserve members. The Appeals Committee will be announced at the Team Representatives' Meeting.

Only a player or a Head of Delegation may lodge a protest. All protests must be submitted in writing to the Appeals Committee within 15 minutes after the completion of the round where the incident allegedly happened.

Each protest must be accompanied by a deposit fee of three thousand (3000) rubles in cash. If the protest is upheld, the fee will be refunded; if rejected, the fee will be forfeited to the Organizer.

The Appeals Committee may decide on:

- a) An appeal against an arbiter's decision,
- b) A protest regarding a player's behavior,
- c) Other matters the Committee deems relevant.

No appeals will be accepted against pairings generated by FIDE-certified tournament management software.

The written decision of the Appeals Committee is final.

Team Roster Requirements

Every team shall consist of six (6) members who meet the following requirements:

- Captain (simul-giver): born in 2010 or later;
- Board 2: boy or girl born in 2013 or later;
- Board 3: boy or girl born in 2016-2018;
- Board 4: boy or girl born in 2016-2018;
- Board 5: a girl born in 2016-2018
- Head of the Delegation / Coach.

Registration

Foreign teams shall register in advance by filling the Web form provided by the Organizer. To receive registration instructions, mail your Letters of Intent or preliminary team rosters to Tournament Director IA Alexander Shukan at alex_sh_1981@mail.ru by February 01, 2025.

It is the responsibility of every Head of Delegation to provide complete information for every player as requested in the Web form, and to submit a scan of a government-issued photo ID. An original identity document for each delegation member shall be provided during the on-site check-in.

On-site check-in will be held on February 12 from 18:00 to 21:00 at Intellect Academy (36 Kirova St., Novokuznetsk).

Determination of Winners; Prizes

Teams will be ranked in final standings by the total number of game points scored by all team members. If two or more teams have the same number of game points, the following tiebreak criteria will be used:

1. Total match points (2 points for a win, 1 for a draw, 0 for a loss)
2. The result of a direct encounter if all of these teams played each other.

If some teams are still tied after the above two criteria are applied, then the team whose captain (simul-giver) scored more points in all games played (including simuls) is placed higher.

If the criterion is applied and the captains (simul-givers) of the tied teams are found to have scored the same number of game points, then the tie is broken by Board 2 results (points scored in all games, including simuls). If it is still a tie, Board 3 results are compared, and so on.

Teams from outside Russia that finish in the top three will receive trophies, diplomas, and valuable prizes. All players on these teams will receive certificates and medals.

Russian teams finishing in the top three will receive trophies, diplomas, and cash prizes. All players on these teams will receive certificates and medals.

The total tournament prize fund is 300,000 (three hundred thousand) rubles:

- The team that finishes first shall receive 150,000 (one hundred fifty thousand) rubles;
- The team that finishes second shall receive 100,000 (one hundred thousand) rubles;
- The team that finishes third shall receive 50,000 (fifty thousand) rubles.

Cash prizes are subject to taxation in accordance with the legislation of the Russian Federation. To receive a cash prize, a team representative must provide the organizers with copies of the following documents: passport, state pension insurance certificate, TIN and relevant bank details. Cash prizes are remitted via bank transfers through March 30, 2025.

Individual board winners will be determined by points scored (excluding games played in simuls). In case of a tie, the following tiebreak criteria will be used.

- *Buchholz*
- *Buchholz Cut 1*
- *Buchholz Cut 2*;
- *results of a direct encounter.*

Accommodation and meals

The Organizing Committee will provide free accommodation with full board (three meals per day) for foreign participants.
